# SureKnit™

## 7-Gauge Cotton String-Knit Gloves

#SC936

Thanks to their heavier weight (936 grams per dozen) in comparison to similar styles, our SureKnit™ cotton gloves make excellent general purpose work gloves – especially for parts-handling and general maintenance applications.

Since the cotton knit is soft against the skin, these gloves are comfortable enough to wear for long periods of time. This version also features snug knit-wrist cuffs to ensure that the gloves will stay in place while you're hard at work.

These versatile, unbleached gloves are also fully launderable, which helps to extend their glove life.

Also available in M (**#SC840**) (936 grams per dozen), S (**#SC720**) (720 grams per dozen).
