

Wet-location fittings

Now available in sizes

Up to 4 in.

Fast and easy installation

Raintight seal

High performance

Iberville® wet-location EMT compression fittings feature a sealing ring to ensure a raintight seal.

These reliable fittings and couplings are now available for all electric metallic tubing (EMT) sizes up to 4 in.

- Sealing ring ensures a raintight seal
- Distinctive design and blue-coloured gland nut enable easy visual inspection for conformance, even at a distance
- All-steel construction for durability and long service life
- Sharp teeth on locknut ensure solid bond and tight grip on enclosure surface
