

Lime

All Natural - Solvent Free Hand Cleanser

Usage: Removes grease and most heavy soilings from the skin. For use in industrial washrooms, maintenance shops and production areas.

- | | |
|---------------------------|---|
| Solvent free | Safe, effective removal of greasy, oily soilings without the irritation or dryness associated with strong petroleum distillates |
| Quick Soil Removal | Out performs comparable competitive solvent free products |
| Pleasant Lime Fragrance | Pleasant during use and leaves no strong or lingering afterwash odour |
| Natural Cornmeal Abrasive | Effective scrubbing action helps remove deeply ingrained soilings without damaging the skin |
| pH of 6.5 - 7.5 | Neutral pH level reduces the possibility of skin irritation |
| Lotionized Formula | Easy dispersal attacks greasy, oily soilings quickly and effectively |
| Water Soluble | Blend of wetting agents allow soilings to be easily rinsed away in hard or soft water |
| 100% Biodegradable | Non-polluting |
| Stable Free-Thaw Cycle | Safe to transport & store even where product may freeze |

THE PRODUCT MAY BE USED IN FOOD PROCESSING ESTABLISHMENTS.
