Overview

Key Features

Uvex Seismic sealed eyewear...powerful eyewear for today's demanding work environments. The Uvex Seismic provides protection against impact, sun, wind, dust and debris coupled with durable performance and minimized fogging. Its contemporary design offers a range of comfort and adjustability features for all-day wear as well as popular black and contemporary metallic-blue colored frame options. This high-performance model can improve your workers' productivity as well as lower your cost-of-ownership with Uvex's renowned coatings and replacement system. The enduring Uvex Seismic is a strong addition to your safety eyewear offering. Provides protection against impact, sun, wind, dust and airborne debris. Ideal for dirty, high-particulate work environments such as grinding, chipping, shaving and sanding.

- Available with Dura-streme dual coating technology which combines our two best lens coatings — Uvextreme anti-fog on the interior and Ultra-dura anti-scratch on the exterior — for 3x longer lens life*, as well as Uvextra AF anti-fog or Hardcoat anti-scratch coating options.
- Soft and flexible nasal pads conform to a variety of facial profiles and minimize slippage.
- Soft, high-quality face cushioning and padded temple tips offer all-day comfort.
- Highly adjustable flame-resistant headband provides excellent fit.
- Replaceable flame-resistant, cushion-lined subframe extends the life of the eyewear.
