Ultrafine 18-Gauge Cut-Resistant  
Kevlar<sup>®</sup> String-Knit Glove

#S18KG

We're talking precision engineering here. These ultrafine 18-gauge Kevlar<sup>®</sup>-blended knit gloves offer the fit and feel of bare hands, but the tightly knit engineered yarn offers high levels of cut protection. Experience dexterity like never before – perfect for precise and delicate operations, yet tough enough for general construction applications.

Don't be fooled by the lightweight look and feel – these gloves offer CE cut-level 5 protection.
