

Deb® Pure WASH

Product Information Sheet

Description: Perfume-free and dye-free light duty lotion hand cleanser for regular use to remove general dirt and grime.

Usage: Suitable for general industrial and food manufacturing/processing environments. Use at the end of each work period or more frequently if required, to remove everyday industrial and food related contaminants.

Method of Use: Apply 1 dose to dry hands. Rub in well and rinse thoroughly with clean running water. Wipe dry with disposable paper hand towels.

Feature	Benefit
EcoLogo™ certified	Certified by North America’s largest, most respected environmental standard and certification mark.
Perfume-free and dye-free	Reduces the potential of allergic reaction and skin irritation.
Non-tainting to food	Suitable for use in any environment where food is being handled and a higher level of cleansing is required.
Mild blend of effective surfactants	Quickly creates a rich lather for fast and effective hand cleaning; ideal for regular, daily use.
Contains glycerine	Helps prevent skin dryness by increasing the amount of water in the surface layers of the skin, leaving the hands feeling soft and supple.
Fully water soluble and free rinsing	Will rinse easily from the skin to leave no soapy residues on the hands or in sinks.
Hygienic	The cartridges are ultrasonically sealed during the manufacturing process to protect the product. The unique patented pumps are designed to prevent air ingress into the cartridge during normal use and thus minimize the risk of external contamination.
No wastage	As no air passes back through the pumps the cartridges collapse during normal use to maximize evacuation of product.

Technical Data

Ingredients: Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Sodium Chloride, Glycerin, Coco-Glucoside, PEG-7 Glyceryl Cocoate, Tetrasodium Iminodisuccinate, Citric Acid, Methylchloroisothiazolinone, Methylisothiazolinone.
