Endura®

Deerskin TIG Welders

#335DTIG

Deerskin leather is extremely soft and pliable with a great feel and sense of touch. For TIG welding, where dexterity and a fine sense of touch is essential, our best-selling Endura® 335DTIG gloves are a great choice. They have a 4" cowhide gauntlet cuff and strapped thumbs.

TESTIMONIAL

Quebec

"You make the best welding gloves I've used! The deerskin suede is thin, is pleasant to wear, gives the very best dexterity that a welder needs, all that while offering an outstanding heat protection!"
