**Replacement Lens**

Amber Lens, Uvextreme Anti-fog Coating

S700D

**Replacement Lens**

Clear Lens, Dura-streme Dual (Anti-fog / Anti-scratch) Coating

S8999

**Rx Pattern**

**Packaging Information**

Packaging Ind. Box, 50/case

**Overview**

**Key Features**

Never before have goggles offered such comfort and protection as well as sleek, futuristic styling. The Uvex Stealth goggle combines modern design, technology, materials and high-performance lens coatings to create the highest levels of worker comfort and acceptance. One of the most popular goggles on the market, the Uvex Stealth makes it easy — even fashionable — to wear goggles on the job.

- Futuristic, low profile design for chemical splash and impact
- Toric lens provides superior optics and peripheral vision
- Rx insert available
- Easiest lens replacement system available
- Uvextreme AF coating and indirect ventilation system minimize fogging
- Dura-streme technology option delivers Uvextreme anti-fog protection on the interior of the lens and Ultra-dura hardcoat on the exterior of the lens for greater chemical and scratch resistance and longer lens life
- Quick-adjust headband
- Made in USA
