

**Model: The “Stromboli” Series (HP841R / HP841SR - HP842R)**

**Description:**

A versatile and dependable design. Available in CSA Type 1 and CSA Type 2 Class. This series offers many features and choices to suit different needs. The “STROMBOLI” series comes without a rain trough and with accessories slots. It also gives the choice between ratchet or swing strap, nylon web straps, 4 points suspensions. The “STROMBOLI” series is designed for environments where heat resistance is a must. The “STROMBOLI” is made of Polycarbonate charge with ABS for higher and better heat resistance and a very light hat.

Product Number	Description	Order Multiples	Case Quantity	Case Dimensions	Case Weight
