

#S13BPVC

Dexterity®

Fine-Gauge Nylon String Knit with
PVC Palm Coating

#S13BPVC

Dexterity® fine-gauge nylon gloves feature foamed PVC palms that provide a good grip in both wet and oily conditions, as well as excellent abrasion resistance. 13 gauge provides seamless dexterity that is ergonomically shaped for all-day comfort. Great for automotive assembly and trim applications, as glue won't stick to the PVC palm surface. Gloves are also silicone-free, making them safe for use in automotive applications.

FEATURES

- Excellent bare-hand feel
- Silicone-free for automotive industry
- Wear and abrasion resistance of PVC is comparable to nitrile, but glue and adhesives will not adhere to it
- Fine-gauge nylon provides touch sensitivity, yet is hard-wearing
- PVC coating is foamed for increased wet/oily grip
- Laundering: use cold water, tumble dry at low or no heat; no bleach

APPLICATIONS

Automotive
Small Parts Handling
Maintenance
Construction
Furniture Manufacturing
Window Applications (Adhesives)
Woodworking
