

#S10KLXFB

Dexterity[®]

Kevlar[®] Knit Gloves with ¾ Latex Palms

#S10KLXFB

Two great features come together in one versatile glove. Our Dexterity[®] gloves combine the seamless comfort of a string knit glove with a puncture-resistant latex coating a regular cotton/poly string knit. Unique, wrinkle-grip latex, applied to the glove over an ergonomic hand form, delivers excellent wet/dry grip with improved comfort and dexterity. Seamless comfort that is shaped to your hand, combined with a dependable grip, make Dexterity[®] a great choice for construction, material handling, masonry work, handling glass, automotive work and the forestry industry.

For more information on Palm-Coated Cut-Resistant Gloves click the following link:
