

The “Kilimandjaro” Series Hard Hats (HP641R)

PRODUCT DESCRIPTION:

The Dynamic Safety hard hat models called Kilimandjaro are the ultimate in design, comfort and protection of the head. The Kilimandjaro has a Sure-Lock ratchet suspension. The 4 point suspension is fully adjustable up and down to fit all head shapes and sizes. With Nylon webbing and a comfort pad this is the most comfortable Type 1 hat available. A “FULL BRIM” has been incorporated into the design to offer added protection from the sun’s harmful “UV” rays and from falling debris in mining or the oil & gas industry.
