Angus ULTIMA Double Jacket – Rubber Lined Fire Hose

CONSTRUCTION

Angus Ultima is the ultimate in quality, municipal grade fire hose. This durable, double jacket hose is constructed of 100% high tensile strength polyester yarns, both warp and filler, and lined with a high-tech E.P.D.M. tube. Its engineered design guarantees minimum weight with maximum durability and flexibility. Ultima is U.L.C. Listed. The standard color for Ultima Hose is white. Other colors available with our innovative ARMOUR JACKET abrasion resistant coatings are red, yellow, orange, blue, green and tan.

Angus ULTIMA is an All-Round versatile double jacket hose

	Angus Ultima	Competitor Double Jacket
EPDM Liner for cold weather flexibility	✓	
Armour Jacket™ Treatment for high abrasion resistance	✓	
ULC Listed and labelled	✓	

FEATURES

- EPDM rubber liner
- Kink resistant
- Low Maintenance - easily cleaned
- Excellent abrasion resistance when treated with Armour Jacket™
- ULC Listed
- Factory or field installed couplings
- Ozone resistant

APPLICATIONS

- Municipal fire fighting
- Industrial fire fighting
- Military and marine fire fighting
