

TenActiv™ | STAGLXPB

Maximum cut and puncture protection

ABOUT THE PRODUCT

Our STAGLXPB gloves are designed to meet the hand protection requirements of the materials recovery and recycling industries, delivering maximum cut protection – rating ANSI Level A9 cut resistance on the palm and ANSI Level A5 cut resistance on the back of hand. They also offer ultimate puncture resistance – ANSI Level 5 hypodermic puncture resistance – thanks to a latex palm coating and a layer of Punkban™ lining the palm.
