

Outdoor Cords

3-Outlet

Woods' Tradesman® Power Cords have been built with the Tradesman in mind. Tradesman® Power Cords offer excellent durability, weather resistance and flexibility.

- **Excellent weather resistance** – our tough outer jacket will not crack in cold weather, even as low as -50°C. During the hot weather, this tough outer jacket will not deform in heat up to 60°C.
- **Powerlite™** indicator end - the clear ends are rugged, durable and light up when cord has power.
- **High visibility** – these cords are very visible.
- **Super flexibility** – More flexible and abrasion resistant, at any temperature, than standard vinyl cords, making these cords tough enough for a job site.
- **Longer Life** - 3 times greater resistance to abrasion than standard vinyl cords.
- **Warranty** – Guaranteed for life.
