Driller Part #43110

I know, lots of you won't wear a tool belt; sometimes you don't need a full load of tools. But your pocket's too small. The BUTT POUCH Mini or Grande fills the gap, literally, and it fits in your pocket while saving your favourite jeans.

E-Z ROLL WIRE RACK

E-Z ROLL WIRE RACK is the *ultra compact* / collapsible wheeled wire dispenser.

When you're ready to pull wire, wheel the E-Z ROLL into position and dispense wire directly from your pipe bender or 1" EMT.

Features:

- Rigid Steel Construction
- Light-weight Design
- Durable 'Caution Yellow' Finish
- Compact (fits in any job box)
- 150 lb. Load Tested
- Holds Reels up to 18"

Collapsible for easy storage & handling

Most wheeled wire dispensers are too big for your truck and they only hold little wire spools. The E-Z Roll knocks down in seconds and handles reels up to 18 inches. Use a conduit bender or scrap of 1" EMT for an axle/handle. The E-Z Roll is big enough to handle 1000' rolls of NMSC. Simple, effective.
