

The **XPP-5400 Headlamp Series** is the ideal hands-free lighting tool when working in a hazardous environment. These headlamps are designed specifically for industrial professionals whose job and life depends on intrinsically safe lighting. Ideal for head or hard hats both headlamps incorporate the **Nightstick exclusive Dual-Light INNOVATION™** functionality that combines a broad beam floodlight and a focused spotlight beam, all in a compact package. A red or green floodlight is added for optimal low-light visibility.
