

The Milwaukee logo is displayed in a stylized, black, cursive font with a lightning bolt graphic underneath.

Hole Dozer™ with Carbide Teeth

Milwaukee® Hole Dozer™ with Carbide Teeth hole saws provide 50X Life in Extreme Multi-Material cutting applications when compared to bi-metal hole saws while cutting in high RPM. Built utilizing a tough carbide grade combined with a durable 4TPI design, yielding the best tooth durability and longest life in Stainless Steel, Abrasive Materials and Fastener Embedded Wood. Cutting depth is 1.62", allowing clearance to handle cuts in all materials. With a Thermoset Coating to reduce friction and drag during cutting, users benefit from faster cutting and increased cordless efficiency. Slug removal is made easy with the Plug Jack™ T-Slot's. Plug Jack™ enhanced user productivity by providing best access and leverage to remove material slugs. Hole Dozer™ with Carbide Teeth are made in USA

FEATURES / SPECS

REFINE OPTIONS

HOLE DOZER™ WITH CARBIDE TEETH

LONGEST LIFE IN

STAINLESS STEEL

CUT LONGER

- The HOLE DOZER™ with Carbide Teeth delivers the longest life in stainless steel, and 50x longer life in abrasive materials

CUT MORE

The HOLE DOZER™ with Carbide Teeth can cut through these materials and more:

- Wood with Nails
- Plaster
- Cement board
- Fiberglass
- Stainless steel
- Shingles

CUT FASTER

- With an aggressive 4 TPI Tooth Design, the HOLE DOZER™ with Carbide Teeth out performs with cleaner faster cuts in all materials

Longest Life in Stainless Steel

Carbide Teeth for 50X Life in Extreme Materials

Milwaukee® Carbide Teeth Technology

For the toughest applications where bi-metal hole saws cannot cut

Outperforms Bi-metal hole saws

4tpi Carbide Teeth Design gives Best Durability and Longest Life in Extreme Applications

Thermoset Coating reduces friction and drag, increasing overall speed and cordless efficiencies

Plug-Jack T-Slot's enhance user productivity by providing best access and leverage to remove material slugs

Cuts Stainless Steel, Fastener Embedded Wood, Cement Board, Fiberglass, Plaster, Asphalt Shingles and More

Made in USA
