PART #

## #1 AND #2 ROBERTSON SQUARE DOUBLE ENDED IMPACT RED/GREEN

[WHERE TO BUY](#)[SHARE ON FACEBOOK](#)

Finally a double ended bit that actually stays in impact drills!

These impact rated bits will hold up to the rigorous strains caused by using an impact drill. The shallow tip design allows for the bit to be double sided and still stay in quick change impact drills.

Available in 4 and 6 inch.

| VARIANT     | PART NUMBER |
|-------------|-------------|
