Glove liner

ML40  CFIA

ML80K  CFIA

## 100% Cotton Inspectors Gloves

Inspectors gloves are designed to protect products from fingerprints, hand oils, scratches or other types of contamination. The lightweight, 100% cotton knit fabric in our inspector gloves is form-fitting, and all three styles are hand-to-hand reversible for longer wear. They can also be used as a glove liner beneath gloves - especially rubber - to absorb perspiration. Available in knit-wrist style, they are fully washable and can be bleached. CFIA approved for food handling.

ML40	Light weight, lisle knit, Bleach White, slip on style, Mens or Ladies (LL40)
ML80	Medium weight, jersey knit, Natural colour, slip on style, Mens or Ladies (LL80)
ML80K	Medium weight, jersey knit, Natural colour, knitwrist cuff, Mens or Ladies (LL80K)

Engineered hand protection for every industry®
