

MECHANICAL CRIMPING TOOLS

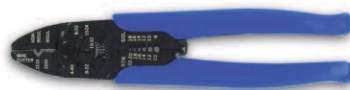

Copper Lugs & Large Terminals

LUG-12-4 Crimping copper lugs & non-insulated terminals. Extra long handles with ratchet action. **LUG-12-4-HD** Hex die Crimps wire gauges:

1. 12-10 AWG (6 mm²)
2. 8 AWG (10 mm²)
3. 6 AWG (16 mm²)
4. 4 AWG (25 mm²)

LUG-8-2-INS For Insulated terminals #8-#2 AWG

LUG-8-4-INS For Heavy Duty non-Insulated terminals #8-#4 AWG

Economy Crimper/Wire Cutter/Stripper

HTS-1000

- Wire cutter
- Crimps insulated terminals
- Bolts cutter
- Crimps non-insulated terminals
- Wire stripper

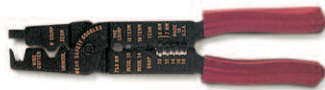

HTS-2000 For non-insulated flag terminals 22-10 AWG.

#8-500 MCM Compression Tool

TDM500 Dieless mechanical compression tool for both copper and aluminum connectors #8-500 MCM. Unique extendible handles provide increased leverage for 250-500 MCM.

Extendible Handles for Improved Leverage

Heavy-Duty Multi-Purpose Crimper

761434 Heavy-duty crimping tool, #22-10 AWG. Crimps insulated and non-insulated terminals, spark plug and distributor terminals. Strips wire.

Crimper/Cutter

453 Made of high quality forged steel, cushion grip handles, crimps insulated and non-insulated terminals from 22-10 AWG. Complete with extra sharp wire cutter.

#8-250 MCM Compression Tool

TDM250 Dieless mechanical compression tool for both copper connectors #8-250 MCM and aluminum connectors #8-4/0. Unique extendible handles provide increased leverage.

Extendible Handles for Improved Leverage

FERRULE CRIMPING TOOLS

Ratchet Ferrule Tool

RAT-FER Crimp all insulated ferrules with a single crimp and smooth ratchet action. Ferrules turn stranded wire into solid wire. The five nested die allows crimping of wire gauges:

1. 22 AWG (0.5 mm²)
2. 20 AWG (0.75 mm²)
3. 18 AWG (1.0 mm²)
4. 16 AWG (1.5 mm²)
5. 14 AWG (2.5 mm²)
6. 12 AWG (4.0 mm²)

RAT-FER2 10-6 AWG and large twin ferrules

Ferrules come in a variety of sizes. See page B-27

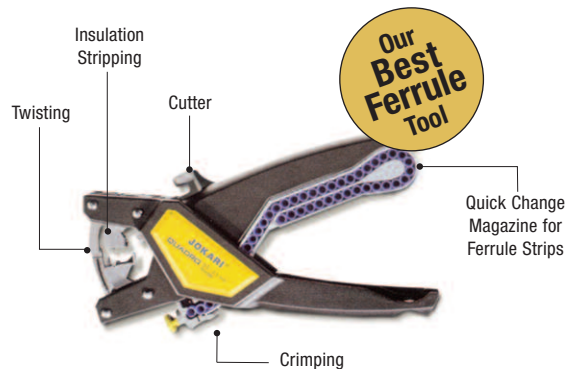

RAT-FER2XL 4 & 2 AWG, X-Large twin ferrules

Spring Plier Ferrule Tool

SPR-FER Our most economical ferrule crimping tool. Crimps wire gauges:

1. 20 AWG (0.75 mm²)
2. 18 AWG (1.0 mm²)
3. 16 AWG (1.5 mm²)
4. 14 AWG (2.5 mm²)
5. 12 AWG (4.0 mm²)
6. 10 AWG (6.0 mm²)
7. 8 AWG (10.0 mm²)

Our Best Ferrule Tool

Four Functions

SPR-JOK This four function ferrule tool cuts wire, strips, twists and crimps. Ferrule replacement strips available 22-14 AWG.

- FERSTR-22WH** 22 AWG White (50/Strip)
- FERSTR-20GR** 20 AWG Grey (50/Strip)
- FERSTR-18RD** 18 AWG Red (50/Strip)
- FERSTR-16BK** 16 AWG Black (50/Strip)
- FERSTR-14BL** 14 AWG Blue (40/Strip)

Includes: Carrying case and 3x quick change magazines.
