Push Mount Cable Tie Clips

### Adhesive Backed Cable Tie Mounts

Techspan nylon cable tie mounts are secured with an adhesive back. The tab keeps the cable tie head from sliding down behind the bundle during vertical applications and maintains placement during horizontal applications. Lead-in feature funnels cable ties into position and countersunk screw hole allows the cable tie to easily pass over the screw head. 4-sided entry with centre screw hole.

Trade Size (Description)	Approx. Dimensions (L x W x H)	Approx. Dimensions (L x W x H)
