

Designed for the industrial market, the **XPP-5400** series are lighting tools that are intrinsically safe to use in potentially explosive atmospheres. Compact, powerful light output and lightweight. The **5422G** and **5422B** incorporate the Bayco exclusive *Dual-Light INNOVATION™* that combines a tightly focused flashlight beam for long throw and a super bright floodlight for close-in work.

NON-RECHARGEABLE 5422 SERIES
