

Wiremold  
EVO 45 LEVELING LEGS  
Part No. EFB45-CLL

Evolution™ Series Floor Boxes are the latest advancement in the most complete and innovative line of floor solutions in the industry. In addition to a unique design that allows the same floor box to be used in multiple floor applications, high capacity and multi-functional capabilities make Evolution Series Floor Boxes ideal for areas where large capacity audio/video, power and communication services are needed. Ranging in size from 2- to 4-gangs of capacity, these boxes have completely finished interiors with removable modules that provide easy access for reconfiguring services. Evolution Series Floor Boxes are an ideal option for installations where services are constantly evolving, such as commercial offices, conference rooms, stages, and entertainment venues.

## Features & Benefits

Legs allow floor box to be adjusted up or down to match the desired pour height of the concrete. Includes two (2) leveling legs. Threaded rod not supplied.

## Specifications

### General Info

Product Line	Wiremold	UPC Number	786564090359
Country Of Origin	Mexico	Construction	Unassembled
Application Sector	Commercial	Standard	cULus Listed Metallic Outlet Boxes: File E2961 Guide QCIT Meets Article 314.27(C) of NEC.
Warranty Type	1-Year from Installation or 2-Years from Day of Sale	Type	Accessory

### Dimensions

Product Weight US 1.0 lb

### Additional Information

RoHS Compliant Yes
