

# M18™ Cordless 10oz. Caulk and Adhesive Gun (Bare Tool)

2641-20

## What's Included

- (1) 10oz Carriage
- (1) 10oz Plunger Rod and Piston Assembly

## Features

- All-metal gears: Deliver industry-leading 950 lbs of dispensing force for the highest viscosity materials
- REDLITHIUM™ Battery Technology: Superior pack construction, electronics, and performance deliver more work per charge and more work over pack life than any battery on the market
- Variable-speed trigger: Allows for maximum flow-rate and bead-width control
- CFT™ Constant Flow Technology: Offers steady flow rate and even beads at all viscosity levels
- Anti-drip mechanism: Instantly stops material from dripping upon trigger release
- Rotating quick-change collar: Accepts all Milwaukee® quick-change configurations: 10-oz carriage, quart-size carriage, and 20-oz sausage barrels
- 6-Setting max speed dial: Optimizes flow rate from 0-21 IPM (inches per minute)

## Overview

## Specifications

<b>Voltage</b>	18V
<b>Tool Warranty</b>	5 Years
<b>Length</b>	18.5"
<b>Weight</b>	4.9 lbs
<b>Charge Time</b>	1 hour
<b>No Load Speed</b>	0-21 IPM (inches per minute)
<b>Force</b>	950 lbs
<b>Carriage</b>	For use with 10 oz Cartridges
<b>Package Type</b>	Tool-Only (No Battery or Charger Included)

**The most powerful cordless caulk and adhesive gun on the market offers the most bead control.** Deliver caulk or adhesives smoothly and steadily, even with the highest viscosity materials, with the incredible pushing force of the M18™ Cordless 10-oz Caulk and Adhesive Gun. All-metal gears provide an industry-leading 950 lbs of force, and CFT™ Constant Flow Technology eliminates motor oscillation for steady dispensing and even beads at all viscosity levels. A variable-speed trigger and six-setting maximum speed dial optimize the

tool's 0-21 inches per minute (IPM) flow rate.

The exclusive Milwaukee® anti-drip mechanism prevents oozing of excess material when the trigger is released. A rotating collar gives you maximum bead control around turns, and the quick-change carriage design lets you change between 10-oz, quart and sausage-style containers. The M18 REDLITHIUM™ Battery (sold separately) lets you dispense more than 200 10-oz tubes of construction adhesive on one charge. The gun comes with a 10-oz carriage, 10-oz plunger rod and piston assembly.
