

Stainless Steel Type Flush Mounted Faceplate, two port

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Portfolio	CommScope®
Product Type	Faceplate kit

General Specifications

Application	Used with M Series modular information outlet
Mounting	Flush
Total Ports, quantity	2

Dimensions

Height	114.3 mm 4.5 in
Width	69.85 mm 2.75 in
Depth	4.064 mm 0.16 in

Material Specifications

Material Type	Stainless steel
----------------------	-----------------

Environmental Specifications

Safety Standard	UL cUL
------------------------	----------

Packaging and Weights

Packaging quantity	1
Weight, net	0.318 kg 0.7 lb

Regulatory Compliance/Certifications
