

XJG64-TB

T&B Industrial Fitting

Expansion coupling for Rigid conduit 2 in.

General

Type:	Rigid and Intermediate Metal Conduit Fittings
Application:	Used where raceways require expansion fittings to compensate for thermal expansion and contraction
T&B UPC:	78621088103
T&B Status:	M
Material:	Malleable or Ductile Iron

Dimension Information

Height:	4.18 in.
Length:	11.25 in.
