

Non-Metallic While-In-Use Covers

TayMac was first to develop the while-in-use weatherproof cover and revolutionized the safety standard for weatherproof covers.

- High-impact polycarbonate construction provides maximum durability
- Patented Quick-Fit™ keyhole mounting system allows installation in under a minute.
- Includes attached gasket and mounting hardware
- Preconfigured for GFCI and includes patented Universal-Fit™ adapter for custom fitting to multiple other applications (16-in-1, 55-in-1)
- Lockable tab
- Horizontal or Vertical mount
