

ORDERING INFORMATION

Order code: 63800
 Description: H35/PAR30LN/ECO/FL/120V/STD
 UPC: 69549638006
 Case quantity: 15

- ▶ Estimated Energy Cost per year: \$4.22
- ▶ Life in years*: 1.8 years
- ▶ Replaces a 50 Watts Halogen PAR lamp
- ▶ Provides a crisp white light

LAMP CHARACTERISTICS

| | |
|-------------------|-------------------------|
| Type: | Energy Saving PAR (ECO) |
| Shape: | PAR30LN |
| Base: | E26 |
| Lens finish: | Clear |
| Reflector finish: | Silver |
| Filament Shape: | CC-8 |
| Lamp material: | Hard glass |
| Beam angle: | 35° |

MOL : 4 9/16 in. (119 mm) Dia. : Dia. : 3 3/4 in. (95 mm)

PERFORMANCE DATA

| | |
|----------------------------------|-----------|
| Watts: | 35 W |
| Voltage: | 120 V |
| Colour temperature (K): | 2 900 |
| Colour Rendering Index (CRI): | 100 |
| Average life (hours): | 2 000 |
| Operating position: | Universal |
| Initial lumen (lm): | 500 |
| Center Beam Candle Power (CBCP): | 300 |

*Based on 3 hours per day usage

CAUTION

For indoor or outdoor use, where not directly exposed to weather. Do not use lamp if outer glass is scratched or broken to avoid breakage. Even though lamp may continue to light, if the outer glass is damaged, immediately discontinue use. Since the inner capsule operates at high temperature and pressure and could unexpectedly shatter, thereby creating a risk of person injury or property damage. Do not use lamp in close proximity to combustible materials or those adversely affected by drying or fading action because of heat radiation in the beam.

Data is based upon tests performed in a controlled environment and representative of relative performance. Actual performance can vary depending on operating conditions. Specifications are subject to change without notice.
