### Features

- Diamond Plus™: Greater durability and toughness delivers up to 10X longer life
- Higher grade diamonds and improved braze: Provide best-in-class performance
- Large slot geometry: Offers easy plug removal
- Versatile: Ideal for cutting anchoring and clearance holes in all tile, stone and glass

### Overview

Choose the Milwaukee® Diamond Plus™ Hole Saw for up to 10X longer life when cutting tile, stone and glass. Diamond Plus™ Hole Saws deliver best-in-class performance, with higher grade diamonds for maximum heat and fracture resistance. An improved braze provides superior diamond retention when cutting hard, abrasive materials. The Diamond Plus™ Threaded Hole Saw features large slot geometry for easy plug removal. Designed as the single cutting solution for all tile, stone, and glass applications, Diamond Plus™ offers the lowest cost-per-hole on the market. Use it with standard hole saw arbors or with the Angle Grinder Adapter (49-56-7103), or Retractable Starter Bit (49-56-8025) for even greater productivity and ease of use.
