

COND3/4-G

OCAL

OCAL-BLUE rigid conduit 3/4 in. - 21 mm

General

T&B Sales Drawings:	WSD-000042
Type:	Conduit and Accessories
Color:	Grey
T&B UPC:	70450826102
T&B Status:	M
Special Features:	Other colors available
Material:	Steel

Dimension Information

Cross Section Area in square (mm):	13.53
------------------------------------	-------

Length without couplings (ft):	9 ft 11-1/4 in.
--------------------------------	-----------------

Length without couplings(m):	3.03
------------------------------	------

Min. Weight per Foot (kg):	47.63
----------------------------	-------

Min. Weight per Foot (lb):	1.05
----------------------------	------

Nom. Inside Diam.(in.):	0.836
-------------------------	-------

Nom. Inside Diam.(mm):	21.2
------------------------	------

Nom. Wall thickness Steel only (in.):	0.107
---------------------------------------	-------

Nom. Wall thickness Steel only (mm):	2.71
--------------------------------------	------

Nom. Wall thickness with PVC (in.):	0.271
-------------------------------------	-------

Nom. Wall thickness with PVC (mm):	3.730
------------------------------------	-------

Outside Diam. Steel only (in.):	1.050
---------------------------------	-------

Outside Diam. Steel only (mm):	26.7
--------------------------------	------

Outside Diam. With PVC (in.):	1.130
-------------------------------	-------

Thomas & Betts

Outside Diam. With PVC (mm):	28.7
Pipe Size (in.):	3/4
Size (in.):	3/4
Nom. Inside Diam.(in.):	0.836
