

# TenActiv™ | STAGBPU

Black knit cut-resistant gloves that hide dirt and stains for longer wear life

### ABOUT THE PRODUCT

Our TenActiv™ STAGBPU gloves are made from dark colored TenActiv™ engineered yarn to hide dirt and stains while protecting worker hands from cut hazards. The low-linting dark coloring allows these gloves to be used longer between laundering cycles, increasing their wear-life. They are ideal for work in unfinished or grimy environments where dirt is visible. Featuring moderate 360° cut protection with ANSI A4 cut resistance and polyurethane dipped palms for dry grip, they balance protection and comfort with a bare hand feel and dexterity.
