

## BIG HAWG™ with Carbide Teeth

MILWAUKEE® BIG HAWG™ with Carbide Teeth is first-to-market in providing extreme life and durability in both nail-embedded wood and abrasive material applications. Utilizing advanced carbide technology, the new BIG HAWG™ with Carbide Teeth gives users 50x life in demanding applications with the ability to cut 1000+ more nails. 10X larger Carbide Teeth rip through materials 5X faster while deeper slots make for fast and easy plug removal. BIG HAWG™ with Carbide Teeth allows users to cut through the toughest materials including nails, cement board, shingles, plaster and stucco.
