

Energizer® Emergency Area Light

The *Energizer*® Emergency Area Light is our most powerful 360° LED emergency lantern ever, combining extraordinary brightness and runtime. Engineered for extra-long use, and built to excel in emergency conditions, it gives you all-around illumination and convenient hands-free operation. Simple to operate, the highly-visible, glow-in-the-dark switch gives quick access to 3 different power modes.

Mode				
High (D Batteries)	500 lumens*	150 hours***	1 meter	IPX4
Low (D Batteries)	50 lumens**	650 hours***	1 meter	IPX4
High (AA Batteries)	50 lumens**	150 hours***	1 meter	IPX4
Night Light (D Batteries)	NA	1000 hours	1 meter	IPX4
Night Light (AA Batteries)	NA	1000 hours	1 meter	IPX4
