

Quality Products. Service Excellence.

Horizontal Waterfall Cable Management Trough *WCT Series*

Features

- Provides support for horizontal runs of heavy cable bundles.
- Includes waterfall edges for cable bend radius for a smooth manager transition.
- Finished in textured RAL9005 black powder paint finish.
- TAA-compliant for GSA Schedule purchases.
- RoHS and REACH compliant.
- Manufactured in North America.

Top-of-Rack Trough Features

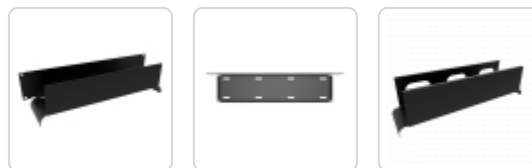

- Fastens to the top of the rack.
 - Mounting hardware to secure trough to top of **RB-2P**, **RB-2PA**, **DNRRHDW**, and **DC4R** racks.
- Ideal to support cable bend radius into vertical cable managers.
- Three (3) cable loops for cable pass-thru.

Rack Mounting Trough Features

- Universal design mounts to any standard 19in EIA compliant rack or cabinet.
- Maintains proper cable bend radius.
- Tie-off points are included at the bottom for managing cables.
- Includes 24in of hook and loop to manage your cables.
