Pop-Up Outlets - Canada Only

Countertop Pop-Up Boxes 20 Amp GFI

NEW

[Click Here to View Multiple Part#](#)

The sleek and compact design offers a great option for installing a pop-up outlet into a countertop or floor. Pops up while in use and is out of the way and flush with the countertop when pushed down. Available in a variety of finishes including black, stainless, white, brass and red.

Features

- Assembly comes with electrical box, outlet and plate assembly
- 20 amp GFCI Tamper Resistant receptacle
- ETLc Listed

Mfg Note

Please note, the white countertop box has an off white tone. Please contact us for more details.
