This two-light 1000-watt halogen work light from Designers Edge Home (model L14SLED) comes equipped with a portable sled base and tripod base, making it ideal for any home or work job. The new comfort grip and heavy-duty handle mean transporting this work light is a breeze, and its adjustable extension leg allows for great results, even on uneven work surfaces. Incredibly easy to use, this work light telescopes from 40 to 67 inches with Easy Grip locking nuts, and its base measures 42 inches in diameter. Waterproof on/off switches give you individual control of the lights, and the hinged face and tempered safety glass offer both safety and versatility.

This UL and CUL listed 2-in-1 fixture comes with two 500-watt quartz halogen bulbs, extra bulb storage tube, shadow fighter grill, seven-inch ground cord with cord storage bracket on the pole and a 90-day limited warranty.

About Designers Edge

Since 1987 Designers Edge has been "Lighting the Way" into the future. From the sharp fluorescent hum of a warehouse shop light to the gentle glow of a child's nightlight, Designers Edge prides itself on its vast array of illumination options for residential, industrial, and commercial enterprises alike. The international manufacturer and marketer's indoor and outdoor options include lighting for landscapes, security, work, and home, with bulbs and replacement parts rounding out its full-service selection and anchoring its reputation as an
