M28 REDLITHIUM™ Battery Pack

48-11-2830

Features

- Best-in-class construction: Offers long-lasting performance and durability
- Fuel gauge onboard: Displays remaining runtime for less downtime on the job
- High-voltage versatility: Powers Milwaukee M28™ and V28™ cordless power tools

Overview

Get durability, runtime and power to complete the toughest jobs. The M28™ Lithium-Ion Battery Pack is built to handle high-torque applications on the jobsite with ease. Managed by Milwaukee's exclusive REDLINK™ Intelligence, the battery features overload protection to prevent you from

damaging your cordless power tools in heavy-duty situations, while the discharge protection prevents cell damage. The temperature management system and individual cell monitoring help maximize battery life. Use this high voltage lithium-ion battery pack to power your Milwaukee M28 and V28™ cordless power tools.
