M18™ LED Work Light

2735-20

What's Included

(1) M18™ LED Work Light (2735-20)

Features

- REDLITHIUM™ Battery Technology: Superior pack construction, electronics, and performance deliver more work per charge and more work over pack life than any battery on the market
- Sealed aluminum head: Designed for impact- and weather-resistant durability
- 135° rotating head: Provides flexible, focused illumination
- Integrated hook: Leaves both hands free for work anywhere on the jobsite

Overview

The Milwaukee® M18™ Cordless LED Work Light lasts **600X longer than conventional incandescent bulbs**. Powered by the M18™ REDLITHIUM™ battery, it runs up to 4X longer on a single charge. Its 135° rotating head allows you to easily direct the light beam at the desired work area, while its integrated hook enables hands-free use.

With a sealed aluminum head to provide impact and weather resistance, the cordless work light comes with a limited lifetime LED warranty.
