

## TAGLOCK Circuit Breaker Lockout

Part Number: 148692

### OVERVIEW

TagLock Circuit Breaker Securing Devices from Brady® allow up to four workers to individually tag and secure each circuit breaker with standard nylon cable ties.

- Easily secure onto the breaker with nylon cable tie and worker's ID tag, no lock needed
- ID tags can be pre-loaded onto TagLock devices, which are then quickly secured to the designated remote energy control lockout points
- Oversized breaker lockout is the perfect device for larger 480/600V switches
- Multiple workers can individually secure each TagLock by applying their nylon tie and unique ID tag
