## Rough-In SAWZALL® Blade (5 Pk)

48-00-1610

### What's Included

(1) Rough-In SAWZALL® Blade (5 Pk) (48-00-1610)

### Features

- Low Blade Profile cuts 2-1/8" diameter holes for 1-1/2" PVC pipe.
- 7-3/8" Length allows blade to cut holes through double top plates.
- **NAIL GUARD™**. Unique design protects against tooth fracture when cutting holes through nail embedded wood.
- **FANG TIP™**. Fang Tip delivers fast plunge cutting through bottom plates and subfloors.

### Overview

The Rough-In SAWZALL® Blade has been engineered to solve the unique frustrations encountered when cutting through-holes during rough-in work. It cuts easily controlled small diameter holes in nail embedded wood like no other blade on the market.
